## FEED LEASE CORP. WELCOMES NEW PARTS & SERVICE MANAGER DAVID LEIST TO THEIR TEAM.

AUBURN HILLS, MICHIGAN – Feed Lease Corporation is pleased to welcome David Leist to our dedicated team of professionals. Having been in the metal fabrication industry since 1985, Dave knows his way around a factory floor. As Parts and Service Manager, he facilitates all activities involving parts and service sales. He also manages service technicians in the installation, startup and training on newly commissioned equipment. He comes to Feed Lease with a wealth of manufacturing expertise and industry knowledge. In his 32 years in the industry, he has proven to be team-oriented and quality-driven to meet both internal and external customer expectations. Dave's extensive industry and manufacturing operation experience allows us to better serve our customers and makes him a valuable addition to our team.
