

APRIL 10, 2017 • Auburn Hills, MI

NEW PLANT MANAGER MICHAEL LADA WELCOMED TO FEED LEASE CORP.

AUBURN HILLS, MICHIGAN – Feed Lease Corporation welcomes Michael Lada to their employee family as their corporate Plant Manager.

Mike was drawn to Feed Lease with its 48+ years as a leader in coil feed equipment industry and was eager to be part of it. He has eight years of leadership experience in the manufacturing industry, with a focus on ergonomics in material handling for machining and assembly processes. Mike also has four years of training and implementation experience in lean manufacturing methods.

As Plant Manager, Mike believes in a positive workforce culture. He brings a strong focus on lean methodology, high-quality work, team building, and using the best manufacturing practices. Feed Lease is optimistic that his leadership ideology will promote growth among their employees, quality of production, and in customer satisfaction.

Mike brings drive, motivation and organization to the company's operations; inspiring the future leaders who will make Feed Lease even more successful in the years to come.
